MEMORANDUM FOR THE RECORD

**SUBJECT: Security Clearance for [REDACTED]
of Senator John Sherman Cooper's Staff**

STATOTHR

STATOTHR

2. In view of this, the Director said he plans to raise the matter during his upcoming conversation with Senator Russell after which the Director will decide whether the Director or I should explain to Cooper that it is Agency policy, supported by the White House, that sensitive intelligence briefings not be available to staff members of individual members of Congress.
